YOUR ONE-STOP RESOURCE for inspiring decor ideas and professional solutions

At the National Home Show, **RENO & DECOR Magazine** brings you two ways to get all the interior design and renovation help you need.

1 THE IDEA STAGE will feature celebrities and industry experts discussing tips and trends. Naturally, you'll also gather a lot of bright ideas from the display of exhibits specializing in home products and helpful services.

2 WHAT'S YOUR DESIGN DILEMMA? This is your chance for a free one-on-one, 15-minute consultation with designers and renovation experts who will offer advice on how to tackle your next project.

Among those consulting on your design and reno concerns will be members of the *RENO & DECOR* team – Glen Peloso, Jim Caruk, Jackie Glass, and Vicky Sanderson, as well as designers and contributors Lisa Canning, Evelyn Eshun and Erica Gelman.
