# EVELYN'S DOUBLE TAKE

DESIGN AND EVENT EDITOR EVELYN ESHUN  
CREATES TWO DINING ROOMS WITH THEIR OWN  
UNIQUE DESIGN PERSONALITIES.

"WHEN PURCHASING  
DINING ROOM  
FURNITURE, you can mix  
and match to create your own  
unique look!" - EVELYN ESHUN

# URBAN GLAM

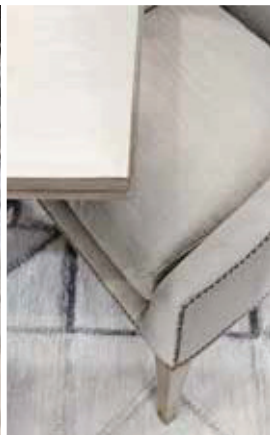

Luxurious textures and monochromatic color schemes will always yield a sophisticated and elegant look. I chose a wooden table which adds a welcoming warmth to the cool, contemporary color scheme. One of the easiest ways to change the personality of a room is with artwork. For this space, I chose a floral print that is soft and mesmerizing without being too feminine or traditional. I continued this soft yet modern look with an elegant area rug in a raised pile pattern and rounded back chairs. This look is perfect for those who want a sophisticated, urban home with a classic look that has a contemporary edge to it.

# BOHEMIAN CHIC

Using textures and mixing materials creates a youthful and fresh look with a hint of glamour. The artwork offers a contemporary expression of bold color and metallic finishes which are subjective and fun.

Craftsman-like accessories, like a brushed gold hollowed out sphere with a sophisticated yet imperfect shape, give this room a casual, folksy look. This look is perfect for those who want to include some crafty DIY projects in their décor. This dining room expresses the personality of an individual who wants to mix it up with a sophisticated yet casual look that offers whimsical glam.

## CLASSIC + TIMELESS

For these dining rooms, I wanted each look to reflect a different personality while still maintaining a glamorous and sophisticated feel. I chose to design each space around Zilli Home Interiors' Belford dining table which offers a classic, timeless shape with a modern, fresh light oak finish. This dining table is luxurious and sophisticated but the simple, clean lines of its design allow it to work well with a wide variety of chairs and accessories so you can truly customize your look. - Evelyn Eshun, [www.evelyneshun.com](http://www.evelyneshun.com)

## BOHEMIAN CHIC

Mix and match this table with stylish chairs and a bench to create a relaxed yet elegant look.

Elegant florals, mirrored surfaces and luxurious upholstery create a sophisticated, glamorous look.

## STATEMENT PIECE

WE LOVE THESE STately CHANDELIERs FOR A DINING ROOM!

Surrounding a traditional chandelier in an iron sphere cage creates the perfect luxurious and rustic look.

The metallic spokes of this fixture reflect light and create an edgy modern look.

A chrome sphere cage adds a contemporary feel to a traditional chandelier.
