The RENO & DECOR booth at the 2014 Toronto Fall

Home Show served as a hub of design and creativity once again. The feature was exquisitely designed by Toronto designer, and R&D contributor, Evelyn Eshun. Using beautiful selections from

UpCountry, Eshun created

a dramatic and striking booth

incorporating barn board and

metallics, creating a beautiful

backdrop for our design

consultations. Every day,

guests were treated to free

one-on-one consultations with

interior designers, courtesy of

appearances by our own

roster of celebrity experts:

Glen Peloso & Jamie Alexan-

Eshun. Everyone was on hand
